SUPPORT YOUR TEACHERS!

#ACT2DAY

* **WHAT IS THE ACT FUND?**

In an ongoing effort to provide the highest educational standards for our student body, the Somerset Gables Parents Association, INC. (SGPA), a 501c3 non-profit organization, has established a reserve with the primary purpose of collecting funds from private donors to finance the employment of Teaching Assistants each school year. This reserve is called the Assistants for Classroom Teachers Fund, or the ACT FUND.

* **WHY THE ACT FUND?**

It is the firm belief of Principal Ruiz, the school administration, and the SGPA, that Teaching Assistants are an essential component to the learning experience at Somerset Gables Academy, and that by providing Teaching Assistants in every grade, their support helps to supplement and strengthen Somerset Gables Academy's academic program.

* **HOW YOU CAN HELP!**

Simply put, without the generous monetary support of our Somerset Gables families, our school does not have the resources to pay for Teaching Assistant salaries each year. To help ensure every grade will have a Teaching Assistant, the SGPA kindly requests an annual monetary donation, per student, each school year, with the goal of reaching 100% participation from every grade. Every donation counts!
